(Please call phone number below if all pages were not received)

TRANSMITTAL FROM: Dr. Brust

MESSAGE: I strongly oppose any further security of the  
State Energy System - that goes too far. The States are  
an extension of the Highway System - there are a lot  
of checks on Bridges / Highways / Mountain Passes.  
The intelligence agencies need vast improvements of the laws of the  
land need enforcement regarding illegal immigration.
